<i>Preface</i>	<i>xix</i>
Introduction	1
Traditional, distributed, international and virtual projects	1
Global projects	1
Examples of global projects	3
Global programs	5
Global projects and programs requirements	8
To be or not to be ... global?	10
Organisational change and organisational theory	11
A framework for global programs and projects	12
The framework sources	15
What the framework provides to global organisations	16
The next steps	17
Key concepts	18
Further reading	18
Interactive section	20
PART I GLOBAL TEAMS	21
Chapter 1 Cross-Cultural Collaboration	23
Defining culture	23
Culture and project management	24
The cultural dimensions defined by Hofstede	25
The cultural dimensions from Trompenaars	28
The impact of the dimensions on global project management	33
A 360° analysis of the cultural dimensions on your project team	34
Avoiding generalisations	39
Building on the richness of a multicultural team: crossvergence and hybridisation	40
4-step framework for effective cross-cultural project management	42
Chapter 2 Global Project Leadership	43
Project management and leadership	43
Global leadership	44
Commitment	45
Motivation	46

Becoming a good global leader	48
Brainstorming on global leadership	49

Chapter 3 Trust Building 51

Identifying the level of trust required	52
Trust and communication channels	52
Establishing trust	54
Maintaining trust	56
Long-term trust	59

Chapter 4 Conflict Resolution 61

Global sources of conflict	62
Conflict levels in global projects	62
Global perspectives on conflict	63
Conflict management steps	63

Chapter 5 Coaching over Distance 69

Coaching on global projects	70
Global coaching principles	70
Establishing a global context for coaching	71
Create a global understanding and direction	72
Review achievements and objectives	72
Anatomy of a coaching session	73
Completing the global coaching process	74
Part I: Key concepts	75
Part I: Further reading	76
Part I: Interactive section	77

PART II GLOBAL COMMUNICATION 79

Chapter 6 Stakeholders and Communication Channels 81

Identifying the global key stakeholders	82
Knowing the global stakeholders	83
Analysing the global stakeholders	83
The stakeholder commitment framework	84
Defining strategies to change stakeholders' commitment levels	85
Completing the global stakeholder register	87
Global communication channels	87

Chapter 7 Meeting Rules and Templates 91

Meeting types and communication media	91
Etiquette for cross-cultural meetings	92
Online meeting templates	92
Visual information	98

Chapter 8 Global Communication Strategy 101

Defining the types of project information	101
---	-----

Identifying the stakeholders' requirements	102
Define a global communication matrix	105
Chapter 9 Global Communication Techniques	109
Collecting information from the global team members	109
Distributing information to the global stakeholders	110
Exchanging project information	113
Chapter 10 Global Creativity	117
Project management processes and creativity	117
Online brainstorming sessions	118
Limitations of online brainstorming sessions	124
Asynchronous brainstorming	126
Part II: Key concepts	127
Part II: Further reading	127
Part II: Interactive section	128
PART III GLOBAL ORGANISATIONS	129
Chapter 11 Global Project Structure	131
Centralised project management	131
Distributed project management, with local coordinators	132
Distributed project management, with functional coordinators	134
Round-the-clock project management	135
Project management global network	136
Chapter 12 Selection of International Human Resources	139
Global team members' skills	140
Global program and project managers' skills	142
Recruitment	143
Selection	144
Induction and training	150
Chapter 13 Global Program and Project Offices	153
Defining project offices	153
Program or Project Management Offices (PMO)	154
Program or Project Support Offices (PSO)	156
Features of global project offices	156
Chapter 14 Organisational Support	163
Build emotional intelligence	163
Promote work-life balance	165
Value the human resources	166
Promote the use of collaborative tools	167
Develop and promote a global project management methodology	167
Establish 360G performance appraisals	168

Establish a global rewards policy	171
Implement a corporate training scheme	171

Chapter 15 Global Collaborative Networks 173

Collaborative networks: a project-centred approach	173
Understand the challenges	174
Define a collaboration strategy	175
Initiate the collaboration	176
Monitor the interfaces	176
Part III: Key concepts	177
Part III: Further reading	178
Part III: Interactive section	179

PART IV IMPLEMENTATION OF COLLABORATIVE TOOLS 181

Chapter 16 Basic Infrastructure 183

Basic technologies	183
Evaluating the current situation	184
Implementing changes	184
Defining documentation and procedures	185
Evaluating the implementation	186

Chapter 17 Interactive Audio and Video 189

Evaluation of current audio conferencing solutions	189
Evaluation of new audio conferencing solutions	189
Implementing changes	191
Defining procedures for audio conferencing set-up	191
Evaluating the implementation	191
Video conferences	192
Evaluating existing video conferencing solutions	193
Implementation of new video conferencing solutions	193
Defining procedures for video conferencing set-up	194
Evaluating the implementation	195

Chapter 18 Interactive Text and Images 197

Evaluating technologies for instant messaging	197
Evaluation of the existing instant messaging solutions	198
Implementation of a new instant messaging solution	198
Defining procedures for instant messaging set-up	199
Evaluating the implementation	199
Evaluating technologies for web conferencing	200
Evaluation of existing web conferencing solutions	200
Implementation of web conferencing	201
Defining procedures for web conferencing set-up	201
Evaluating the implementation	202

Chapter 19 Knowledge Sharing	205
Evaluating technologies for knowledge sharing	205
Evaluating the existing knowledge-sharing solutions	207
Implementing a new knowledge-sharing solution	207
Defining procedures for knowledge-sharing set-up	208
Evaluating the implementation	209
Chapter 20 Collaborative Project Management Software	211
Evaluating collaborative project management software tools	211
Defining procedures for the collaborative project management software	213
Implementing the new collaborative project management software	214
Evaluating the implementation	214
Part IV: Key concepts	215
Part IV: Further reading	216
Part IV: Interactive section	216
PART V ADOPTION OF COLLABORATIVE TOOLS	217
Chapter 21 Getting Connected	219
Understanding what can be improved	219
What to avoid in e-mail discussions	221
Using telephones	222
What to avoid in telephone discussions	222
Chapter 22 Effective Audio and Video conferences	225
Understanding what can be improved	225
Using audio conferences	225
Using video conferences	228
Chapter 23 Coordinating and Attending Online Meetings	231
Understanding what can be improved	231
Communication style during online meetings	232
Special considerations for instant messaging discussions	232
Special considerations for online meetings via web conferencing	233
Chapter 24 Fostering Knowledge Exchange	237
Understanding what can be improved	237
Defining the rules for knowledge sharing	238
Leading people to share information	239
Chapter 25 Collaborative Project Management	241
Understanding what can be improved	241
Updating information on the project management software	242
Information pushed by the project management software	244
Pulling information from the project management software	244
Interfaces between the project management software and other tools	245
Part V: Key concepts	246

Part V: Further reading	246
Part V: Interactive section	247

PART VI IMPLEMENTING THE GLOBAL PROJECT MANAGEMENT FRAMEWORK® 249

Chapter 26 A Charter for the Framework 251	251
Stakeholder needs and expectations	251
The benefits of the framework implementation	253
Defining a scope for the implementation	254

Chapter 27 Implementation Strategies 255	255
The emotional intelligence guidelines	255
The maturity model approach	257
The action research cycles	263
Part VI: Key concepts	264
Part VI: Further reading	264
Part VI: Interactive section	264
